

ESO WSO Conference 2020 - Preliminary Programme at a Glance

6-9 November, 2020 Vienna, Austria

38 Scientific Sessions 1 Special Scientific Session	25 Scientific Communications (Oral Abstract Presentation Session)	14 Teaching Course 1 Workshop	2 Networking/Posters Event	4 General Interest Sessions	6 Rapid Communications Sessions	18 Industry Supported Sessions	6 Allied Health Care Sessions	2 General Assemblies
--	--	----------------------------------	----------------------------	-----------------------------	---------------------------------	--------------------------------	-------------------------------	----------------------

Saturday 7 November, 2020

	Hall A	Hall C	Hall E1	Hall E2	Hall F	Hall G	Hall K	Hall L3	Hall M	Hall N	Room 1.86	Room 1.61	L2	Product Theatre
8:30-10:00		Scientific Session 1 Controlling Risk Factors After Stroke Joint session with the World Hypertension League (WHL)	Scientific Session 2 Childhood Stroke	Scientific Session 3 Gender Differences in Stroke	Special Scientific Session Neuroprotection: From Bench to Bedside and Beyond	Scientific Session 4 Sub Arachnoid Haemorrhage	Scientific Session 5 Translational Stroke Research	Scientific Communications 1 Endovascular Thrombectomy	Scientific Communications 2 Rehabilitation	Allied Health Care Session 1 Evidence to Support Recovery	Teaching Course 01 Practical Experiences of Developing Stroke Services in Various Settings	Teaching Course 02 Intravenous Thrombolysis in Everyday Clinical Practice	Scientific Session 6 Young Stroke Physicians and Researchers: Research Design Workshop for Studies in Development	
10:00-10:45	Coffee Break, Exhibition, E-Poster Viewing													
10:45-12:30	Plenary 1 Official Welcome & Large Clinical Trials													
12:30-14:30	Break, Exhibition, E-Poster Viewing (Lunch 12:30 - 13:30)													
12:45-14:15	Industry Supported Session *not included in main event CME/CPD credit													
14:15-14:30	Short Break													
14:30-16:00	Scientific Session 7 Controversies 1 - Thrombectomy Joint session with the European Society of Minimally Invasive Neurological Therapy (ESMINT)	Scientific Session 8 Post Stroke Cognitive and Mood Problems - Assessment and Management	Scientific Session 9 Big Data and Technological Innovation	Scientific Session 10 Critical and Intensive Care in People With Stroke	Scientific Session 11 Large Artery Disease	Scientific Communications 3 Prevention 1 - Risk Factors	Scientific Communications 4 Service Innovations	Scientific Communications 5 Biomarkers of Stroke Risk and Prognosis	Scientific Communications 6 Experimental Stroke	Allied Health Care Session 2 Sexuality	Teaching Course 03 Challenges in Stroke Diagnosis: Stroke Mimics and Chameleons	Teaching Course 04 Preventing Complications?	14:30-15:10 Rapid Communications 1 Thrombectomy BREAK - 10 min	14:30-15:10 Rapid Communications 3 Epidemiology BREAK - 10 min
16:00-16:45	Coffee Break, Exhibition, E-Poster Viewing													
16:45-18:15	Plenary 2 Awards & Large Clinical Trials													
18:15-19:30	Welcome Reception Exhibition Area E-Poster Discussions (E-Poster Area) 18:30-19:30													

Sunday 8 November, 2020

	Hall A	Hall B	Hall C	Hall E1	Hall E2	Hall F	Hall K	Hall L3	Hall M	Hall N	Room 1.86	Room 1.61	L2	Product Theatre
07:15 - 08:15	Meet the Professor 1													
08:15 - 08:30	Meet the Professor 2													
08:15 - 08:30	Meet the Professor 3													
8:30-10:00	Scientific Session 12 Atrial Fibrillation (AF) Detection and Management	Scientific Session 13 Multiple Levels For Translational Stroke Science - Frank Yatsu Symposium	Scientific Session 14 Prehospital Care	Scientific Session 15 Novel Stroke Diagnostics	Scientific Communications 7 Small Vessels Disease: White Matter Hyperintensities	Scientific Session 16 Intracerebral Haemorrhage 1	Scientific Session 17 Intravenous Thrombolysis	Scientific Communications 8 Thrombolysis	Scientific Communications 9 Imaging	Allied Health Care Session 3 Fundamentals 1	Scientific Communications 10 Cognition	Teaching Course 05 From ER to Discharge: The Use of Ultrasound in Stroke. Joint Session with the European Society of Neurology and Cerebral Hemodynamics (ESNCH)	08:00-10:00 Workshop 01 Simulation Workshop on Decision Making Processes in Acute Stroke Management	
10:00-10:45	Coffee Break, Exhibition, E-Poster Viewing													
10:45-12:30	Plenary 3 Symposium Awards & Trials													
12:30-14:30	Break, Exhibition, E-Poster Viewing (Lunch will be served between 12:30 - 13:30)													
12:45-14:15	Industry Supported Session *not included in main event CME/CPD credit													
14:15-14:30	Short Break													
14:30-16:00	Scientific Session 18 Controversies 2 - Recovery and Brain Repair	Scientific Session 19 Artificial Intelligence in Stroke Imaging	Scientific Session 20 Small Vessel Disease	Scientific Session 21 Intracranial Atherosclerosis Joint Session with the Chinese Stroke Association (CSA)	Scientific Session 22 Novel Technologies in Rehabilitation	Scientific Session 23 Guideline Session	Scientific Communications 11 Thrombectomy 2	Scientific Communications 12 Large Artery Disease and TIA	Scientific Communications 13 Intracerebral Hemorrhage 1: Diagnosis, Prognosis and Risk	Allied Health Care Session 4 Fundamentals 2	Teaching Course 06 Pregnancy and Stroke	Teaching Course 07 Mechanical Thrombectomy for Large Vessel Occlusion in Everyday Clinical Practice	14:30 - 15:10 Rapid Communications 5 Young Stroke and Rare Causes BREAK - 10 min	14:30 - 15:50 Teaching Course 14 Improving Stroke Unit Care Around The World
16:00-16:45	Coffee Break, Exhibition, E-Poster Viewing													
16:45-18:15	Scientific Session 24 Thrombectomy 1 - Device Choice for Mechanical Thrombectomy Joint session with the Society of Vascular and Interventional Neurology (SVIN)	Scientific Session 25 Advancing the Science of Recovery and Rehabilitation	Scientific Session 26 Intracerebral Haemorrhage 2	Scientific Session 26 Novel Imaging in Stroke	Scientific Session 27 Fatigue After Stroke	Scientific Session 28 Recognising Stroke at the Front Door Joint session with European Academy of Neurology (EAN)	Scientific Communications 14 Epidemiology: Stroke and Mortality Risk	Scientific Communications 15 Thrombectomy Systems and Economics	Scientific Communications 16 Prognosis After Acute Stroke Interventions	Scientific Communications 17 Nursing and Allied Health Care	Teaching Course 08 Seizures and Epilepsy in Stroke Patients	Teaching Course 09 Hidden Deficits After Stroke: Including Intimacy and Sexuality After Stroke	16:45 - 17:25 Rapid Communications 7 Small Vessels Disease BREAK - 10 min	17:35 - 18:15 Rapid Communications 8 Improving Stroke Outcomes
18:15 - 18:30	Short Break													
18:30 - 19:30	E-Poster Discussions (E-Poster Area)													
	WSO Members' General Assembly										ESO General Assembly			

Monday 9 November, 2020

	Hall A	Hall B	Hall C	Hall E1	Hall E2	Hall F	Hall K	Hall L3	Hall M	Hall N	Room 1.86	Room 1.61	L2	
8:30-10:00	Scientific Session 29 Thrombectomy 2 - Imaging Selection Joint session with European Society of Neuroradiology (ESNR)	Scientific Session 30 Omics and Genetics	Scientific Session 31 Targeting Stroke Globally - The Next Steps Joint session with World Health Organization (WHO)	Scientific Session 32 Expanding Access to Acute Stroke Care in Low- And Middle-Income Countries	Scientific Communications 18 Acute Stroke Beyond Reperfusion	Scientific Session 33 Primary Stroke Prevention and Dementia Prevention	Scientific Communications 19 Intracerebral Hemorrhage 2 - Management	Scientific Communications 20 Stroke in Women and the Young	Scientific Communications 21 Heart and Brain	Allied Health Care Session 5 Rehab 2030	Teaching Course 10 Navigating Career Transitions: From Graduate School to Independent Researcher Joint session ESO YSPR committee, WSO Early Stroke Professionals and Stroke Society of Australia (SSA)	Teaching Course 11 Palliative Care, End of Life Care, Advanced Care Planning And Shared Decision Making in Patients with Stroke	8:30 - 9:10 Rapid Communications 9 Stroke Units in the Regions and the World BREAK - 10 min	
10:00-10:45	Coffee Break, Exhibition, E-Poster Viewing													
10:45-12:15	Scientific Session 34 Controversies 3 - Prevention	Scientific Session 35 Joint Session with the Lancet, International Stroke Journal and European Stroke Journal This symposium will include updates on the latest advances in stroke care and is organised jointly by the Lancet, WSO and ESO	Scientific Session 36 Innovative Clinical Trial Design	Scientific Session 37 Measuring the Effectiveness of Stroke Prevention Campaigns: Planning, Implementation and Evaluation Stroke supporting organizations (SSO) session	Scientific Communications 22 Thrombectomy 3 - Technical Factors and Complications	Scientific Session 38 Vascular Cognitive Impairment Joint session with The International Society of Vascular Behavioural and Cognitive Disorders (VAS-COD)	Scientific Communications 23 Small Vessel Disease: Haemorrhage and Genes	Scientific Communications 24 Post Stroke Complications and Long Term Prognosis	Scientific Communications 25 Genomics and Biomarkers	Allied Health Care Session 6 Supporting Life After Stroke	Teaching Course 12 Case-Based Neuroimaging	Teaching Course 13 Practical Considerations for Posterior Ischemic Stroke Management	10:45 - 11:25 Rapid Communications 11 Imaging BREAK - 10 min	
12:15-14:30	Break, Exhibition, E-Poster Viewing (Lunch will be served between 12:15-13:15)													

12:45-13:45		12:45 - 13:45 Industry Supported Session *not included in main event CME/CPD credit	Industry Supported Session *not included in main event CME/CPD credit	12:45 - 13:45 Industry Supported Session *not included in main event CME/CPD credit	Industry Supported Session *not included in main event CME/CPD credit	Industry Supported Session *not included in main event CME/CPD credit	Industry Supported Session *not included in main event CME/CPD credit	
13:45-14:00		Short Break						
14:00-15:30	Plenary 4 Large Clinical Trials 4 and Closing
