

Saturday 7 November
Sponsored Symposium

AFTER CARDIOEMBOLIC STROKE, MAKE PREVENTION THE PRIORITY!

12:00-13:30

This session is not included in main conference CME/CPD credit

SYMPOSIUM IS ORGANISED AND SUPPORTED BY

12:00 - 12:05

LIVE: INTRODUCTION AND OBJECTIVES

H.-C. Diener, (Germany)

12:05 - 12:20

PFO WHERE ARE WE?

P. Rothwell, (Hong Kong PRC)

12:20 - 12:35

PFO CLOSURE: WHO CAN BENEFIT

G. Tsivgoulis, (Greece)

12:35 - 12:45

LIVE: DISCUSSION

D. Toni¹; H.-C. Diener²; J. Nielsen-Kudsk³, (¹Italy, ²Germany, ³Denmark)

12:45 - 12:55

IS LAA OCCLUSION AN OPTION FOR PATIENTS WITH PRIOR ISCHEMIC STROKE?

J. Nielsen-Kudsk, (Denmark)

12:55 - 13:05

IS LAA OCCLUSION AN OPTION FOR PATIENTS WITH PRIOR INTRACEREBRAL HEMMORHAGE?

C. Nolte, (Germany)

13:05 - 13:15

IS LAA OCCLUSION AN OPTION FOR PATIENTS WITH MICROBLEEDS?

P. Renou, (France)

13:15 - 13:25

LIVE: DISCUSSION

D. Toni¹; H.-C. Diener²; J. Nielsen-Kudsk³, (¹Italy, ²Germany, ³Denmark)

13:25 - 13:30

LIVE: TAKE HOME MESSAGE

D. Toni, (Italy)

Saturday 7 November Sponsored Symposium

AIS Therapy in 2020 – From Fundamentals to Guidelines

12:00-13:30

This session is not included in main conference CME/CPD credit

SYMPOSIUM IS ORGANISED AND SUPPORTED BY

Chairs: J. Ferrari, (Austria) C. Levi, (Australia)

12:00 - 12:03

Introduction

J. Ferrari, (Austria)

12:03 - 12:19

The clot: Fundamentals and Therapeutic Implications

A. Demchuk, (Canada)

12:19 - 12:35

Is IVT needed before EVT?

M. Mazighi, (France)

12:35 - 12:51

AIS Therapy: Risk Benefit Ratio Improvement

O. Pontes-Neto, (Brazil)

12:51 - 13:07

Imaging Techniques

K. Muir, (United Kingdom)

13:07 - 13:23

Conclusion: Current Guidelines and Future Directions in AIS Therapy

C. Levi, (Australia)

13:23 - 13:30

Live Q&A

J. Ferrari¹; A. Demchuk²; M. Mazighi³; O. Pontes-Neto⁴; K. Muir⁵; C. Levi⁶,
(¹Austria, ²Canada, ³France, ⁴Brazil, ⁵United Kingdom, ⁶Australia)

Saturday 7 November Sponsored Symposium

Balancing benefits versus risks for your AF patients: preventing stroke and managing consequences

12:00-13:10

This session is not included in main conference CME/CPD credit

SYMPOSIUM IS ORGANISED AND SUPPORTED BY

Co-Chairs: M. Grond¹; R. Bernstein²

12:00 - 12:05

Welcome and introduction: our choices matter

M. Grond, (Germany)

12:05 - 12:10

LIVE Q&A

M. Grond, (Germany)

12:10 - 12:15

Why choose dabigatran for stroke prevention in patients with AF?

R. Bernstein, (United States of America)

12:15 - 12:20

LIVE Q&A

R. Bernstein, (United States of America)

12:20 - 12:25

Management of ICH and ischemic stroke: what is the role of anticoagulant reversal?

M. Grond¹; A. Tomek², (¹Germany, ²Czech Republic)

12:25 - 12:30

LIVE Q&A

M. Grond¹; A. Tomek², (¹Germany, ²Czech Republic)

12:30 - 12:35

Looking beyond AF: what have we learnt from RE-SPECT CVT?

R. Lemmens, (Belgium)

12:35 - 12:40

LIVE Q&A

R. Lemmens, (Belgium)

12:40 - 13:10

Your questions answered: audience Q&A

M. Grond¹; R. Bernstein²; A. Tomek³; R. Lemmens⁴, (¹Germany, ²United States of America, ³Czech Republic, ⁴Belgium)

Saturday 7 November Sponsored Symposium

DOAC-Associated Intracranial Bleeds: The Challenge of Limiting Hematoma Expansion

12:30-13:30

This session is not included in main conference CME/CPD credit

SYMPOSIUM IS ORGANISED AND SUPPORTED BY 

12:30 - 12:35

Welcome and Introduction

W. Lang¹; S. Schwab², (¹Austria, ²Germany)

12:35 - 12:50

Unmet Need and Guideline Recommendations for Anti-FXa-Related ICH

T. Steiner, (Germany)

12:50 - 13:05

Andexanet Alfa: Clinical Data and its Relevance for Treatment of Hemorrhagic Stroke

P. Kermer, (Germany)

13:05 - 13:20

Andexanet Alfa as a New Tool to Limit Hematoma Expansion

H. Huttner, (Germany)

13:20 - 13:30

Discussion and Farewell

W. Lang¹; S. Schwab², (¹Austria, ²Germany)

Sunday 8 November Sponsored Symposium

How to reduce vascular risk in your patients post-stroke New data on LDL-C lowering and the effect of PCSK9 inhibitors

12:00-13:30

This session is not included in main conference CME/CPD credit

SYMPOSIUM IS ORGANISED AND SUPPORTED BY 

Co-Chairs: G. Ntaios, (Greece) P. Amarenco, (France)

12:00 - 12:05

Raising the bar for cardiovascular risk management after stroke

G. Ntaios, (Greece)

12:05 - 12:20

Lipid management for stroke prevention: the evidence

P. Amarenco, (France)

12:20 - 12:35

PCSK9 inhibitors: LDL-C lowering and secondary stroke prevention

C. Gerloff, (Germany)

12:35 - 12:50

Beyond trials: real-world evidence and personal experience with PCSK9 inhibitors

H. Milionis, (Greece)

12:50 - 13:00

Identifying very-high-risk patients

G. Ntaios, (Greece)

13:00 - 13:30

Live: Panel discussion, audience Q&A and close

G. Ntaios (Greece)

Sunday 8 November

Sponsored Symposium

Dual antiplatelet therapy for acute stroke and TIA: Current best practice and emerging strategies

12:00-13:30

This session is not included in main conference CME/CPD credit

SYMPOSIUM IS ORGANISED AND SUPPORTED BY **AstraZeneca** 

12:00 - 12:05

Chairperson's welcome and introduction

P. Amarenco, (France)

12:05 - 12:20

Secondary prevention following acute minor stroke or TIA: Understanding the ongoing risk

P. Rothwell, (Hong Kong PRC)

12:20 - 12:40

Current best practice: Evidence-based antiplatelet therapy for secondary stroke prevention

P. Amarenco, (France)

12:40 - 12:55

Evolving role of dual antiplatelet therapy for stroke prevention: Advancing best practice for patients at high risk

S. Johnston, (United States of America)

12:55 - 13:10

Clinical decision making for the patient presenting with acute stroke

P. Schellinger, (Germany)

13:10 - 13:25

Live Q&A

P. Amarenco¹; P. Rothwell²; S. Johnston³; P. Schellinger⁴, (1France, 2Hong Kong PRC, 3United States of America, 4Germany)

13:25 - 13:30

Summary and close

P. Amarenco, (France)

Sunday 8 November Sponsored Symposium

Stroke Care Taking Flight with The Wings of Angels

12:00-13:30

This session is not included in main conference CME/CPD credit

SYMPOSIUM IS ORGANISED AND SUPPORTED BY **angela** 
LEAVE YOUR LEGACY

12:00 - 12:15

The Angels Journey Across the World

V. Caso, (Italy)

12:15 - 12:30

Philippines: Success Is Possible Even in Challenging Environments

G. Siena Mariano, (Philippines), R. Urgel Esagunde (Philippines)

12:30 - 12:45

Egypt: Gaining Momentum Through Simulations

H. Aref, (Egypt)

12:45 - 13:00

Brazil: The Next Frontier: Connecting Pre- with In-Hospital Stroke Care

S. Martins, (Brazil)

13:00 - 13:15

Czech Republic: From Hospitals to Regions

R. Mikulik, (Czech Republic)

13:15 - 13:30

Live: Question and Answer Session

W. Hacke¹; V. Caso²; G. Siena Mariano³; H. Aref⁴; S. Martins⁵; R. Mikulik⁶,
(¹Germany, ²Italy, ³Philippines, ⁴Egypt, ⁵Brazil, ⁶Czech Republic)

Sunday 8 November

Sponsored Symposium

Managing anticoagulation in elderly atrial fibrillation patients with multi-morbidities: acute phase and secondary prevention of stroke

12:00-13:30

This session is not included in main conference CME/CPD credit

SYMPOSIUM IS ORGANISED AND SUPPORTED BY

12:00 - 12:10

Welcome and introduction

R. Collins, (Ireland)

12:10 - 12:30

AF patients with cerebrovascular events: management of the acute phase

P. Vanacker, (Belgium)

12:30 - 12:50

Secondary stroke prevention in AF patients with multi-morbidities: evidence from clinical trials and routine care

M. Voško, (Austria)

12:50 - 13:10

Anticoagulating AF patient with a history of haemorrhagic stroke: insights from complex patient cases

M. Paciaroni, (Italy)

13:10 - 13:25

Live: Panel discussion

R. Collins¹; P. Vanacker²; M. Voško³; M. Paciaroni⁴, (1Ireland, 2Belgium, 3Austria, 4Italy)

13:25 - 13:30

Summary and conclusion

R. Collins, (Ireland)

Sunday 8 November Sponsored Symposium

Transforming Stroke Care Continuum together

12:00-13:30

This session is not included in main conference CME/CPD credit

SYMPOSIUM IS ORGANISED AND SUPPORTED BY

LIVE SESSION

12:00-12:45

Treatment of LVO patients with Mechanical thrombectomy.

G. Pero, (Italy)

S. Nayak, (UK)

Diagnostics:

12:45-13:30

Cryptogenic Stroke: From Results to Practice – What do we do now?

Roundtable discussion

Moderator: L. Schwamm (USA)

Roundtable Member: W. Doehner (Germany)

Roundtable Member: K. Witte (UK)
