

Scientific Sessions	Scientific Communications (Oral Abstract Presentations)	Teaching Courses	General Interest Sessions	Rapid Communications (Short Oral Abstract Presentations)	Industry Supported Sessions	Allied Health Care Sessions	Meet the Professor			
((▶▶)) Live Session			🎬 Pre-recorded Session (watch anytime)			🗣️ Session with Live Q&A				
Saturday 7 November 2020										
06:25 - 08:00	Endovascular Thrombectomy 🎬	Rehabilitation 🎬	Prevention 1: Risk Factors 🎬	Service Innovations 🎬	Biomarkers of Stroke Risk and Prognosis 🎬	Experimental Stroke 🎬	Small Vessels Disease: White Matter Hyperintensities 🎬	Thrombolysis 🎬	Imaging 🎬	Cognition 🎬
08:00 - 09:30	08:00 - 08:30 Meet the Professor: Approach to Stroke in Young ((▶▶))	08:00 - 08:20 John Norris' Memorial Lecture 🎬	Gender Differences in Stroke 🎬	Neuroprotection: From Bench to Bedside and Beyond 🎬	Sub Arachnoid Haemorrhage 🎬	Translational Stroke Research 🎬	Thrombectomy (08:00 - 08:45) 🎬	Practical Experiences of Developing Stroke Services in Various Settings 🎬	Intravenous Thrombolysis in Everyday Clinical Practice 🎬	Evidence to Support Recovery 🎬
		09:00 - 09:20 Eivind Berges' Memorial Lecture 🎬					Reperfusion Therapy (08:45 - 09:30) 🎬			
09:30 - 09:45	Visit the Poster Gallery									
09:45 - 11:30	Controversies 1: Thrombectomy Joint Session with the European Society of Minimally Invasive Neurological Therapy (ESMINT) ((▶▶)) 🗣️	Big Data and Technological Innovation ((▶▶)) 🗣️	Young Stroke Physicians and Researchers: Research Design Workshop for Studies in Development ((▶▶)) 🗣️	Critical and Intensive Care in People with Stroke 🎬	Large Artery Disease 🎬	Post Stroke Cognitive and Mood Problems: Assessment and Management 🎬	Epidemiology (09:45 - 10:30) 🎬	Challenges in Stroke Diagnosis: Stroke Mimics and Chameleons 🎬	Preventing Complications? 🎬	Sexuality 🎬
							Prognosis and Clinical Outcome (10:30 - 11:15) 🎬			
11:30 - 12:00	**Live Q&A in the Controversies Chatroom (11:30 - 12:00) Join us in the Networking Lounge to continue the debate about Thrombectomy.					Join the #ESOWS02020 conversation on Twitter				
12:00 - 13:30		Industry Supported Session* ((▶▶)) 🗣️	Industry Supported Session* ((▶▶)) 🗣️	Industry Supported Session* (12:00 - 13:10) ((▶▶)) 🗣️	Industry Supported Session* (12:30 - 13:30) ((▶▶)) 🗣️					
13:30 - 14:00	Visit the Exhibition. Use the chat feature to speak with the exhibitors.									
14:00 - 15:45	Large Clinical Trials & Official Welcome ((▶▶)) 🗣️									
15:45 - 16:15	**Live Q&A in the Plenary Chatroom (15:45 - 16:15) Join us in the Networking Lounge and ask your questions to the presenters.									
16:15 - 18:40	Large Clinical Trials & Awards ((▶▶)) 🗣️									
18:40 - 19:00	**Live Q&A in the Plenary Chatroom (18:45 - 19:15) Join us in the Networking Lounge and ask your questions to the presenters.									
19:00 - 19:30		Product Theatre Session* 🎬	Product Theatre Session* 🎬	Product Theatre Session* 🎬						

* Industry Session not included in main event CME/CPD credit. Further information for the industry sponsored sessions is available here (<https://eso-wso-conference.org/industry-supported-sessions-3/>).

** Join us in the Networking Lounge for a chat with the session presenters. Choose the relevant chat group and ask your questions.

Sunday 8 November 2020

06:25 - 08:00	Thrombectomy 2 ▶	Large Artery Disease and TIA ▶	Intracerebral Hemorrhage 1: Diagnosis, Prognosis and Risk ▶	Thrombectomy Systems and Economics ▶	Prognosis After Acute Stroke Interventions ▶	Nursing and Allied Health Care ▶	Epidemiology: Stroke and Mortality Risk ▶	Acute Stroke Beyond Reperfusion ▶	Intracerebral Hemorrhage 2: Management ▶	Stroke in Women and the Young ▶
08:00 - 09:30		Multiple Levels for Translational Stroke Science (Frank Yatsu Symposium) ▶	Prehospital Care ▶	Novel Stroke Diagnostics ▶	Intravenous Thrombolysis ▶	Intracerebral Haemorrhage 1 ▶	From ER to Discharge: The Use of Ultrasound in Stroke. Joint Session with the European Society of Neurosonology and Cerebral Hemodynamics (ESNCH) ▶	Improving Stroke Unit Care Around the World ▶	Hidden Deficits After Stroke: Including Intimacy and Sexuality After Stroke ▶	Fundamentals 1 Supported by an educational grant ▶
09:30 - 09:45	Take a break & visit the wellness area of the virtual conference									
09:45 - 11:15	09:45 - 11:30 Controversies 2: Recovery and Brain Repair ⏮ ▶ 🔍	Artificial Intelligence in Stroke Imaging ▶	Small Vessel Disease ▶	Intracranial Atherosclerosis Joint Session with the Chinese Stroke Association (CSA) ▶	Novel Technologies in Rehabilitation ▶	Guideline Session ▶	Pregnancy and Stroke ▶	Mechanical Thrombectomy for Large Vessel Occlusion in Everyday Clinical Practice ▶	Seizures and Epilepsy in Stroke Patients ▶	Fundamentals 2 ▶
11:30 - 12:00	**Live Q&A in the Controversies Chatroom (11:30-12:00) Join us in the Networking Lounge to continue the debate about Recovery and Brain Repair.									
12:00 - 13:30		Industry Supported Session* ⏮ ▶ 🔍	Industry Supported Session* ⏮ ▶ 🔍	Industry Supported Session* ⏮ ▶ 🔍	Industry Supported Session* ⏮ ▶ 🔍	Session Supported by an Unrestricted Grant from Industry.*** ⏮ ▶ 🔍				
13:30 - 14:00	Visit the Exhibition. Use the chat feature to speak with the exhibitors.									
14:00 - 16:00	Large Clinical Trials & Awards 2 ⏮ ▶ 🔍									
16:00 - 16:30	**Live Q&A in the Plenary Chatroom (16:00 - 16:30) Join us in the Networking Lounge and ask your questions to the presenters.									
16:30 - 18:00	16:30 - 18:15 Controversies 1: Thrombectomy Joint Session with the European Society of Minimally Invasive Neurological Therapy (ESMINT) Repeated Session ▶	16:30 - 18:15 Controversies 2: Recovery and Brain Repair Repeated Session ▶	16:30 - 18:15 Atrial Fibrillation (AF) Detection and Management ⏮ ▶ 🔍	Novel Imaging in Stroke ▶	Fatigue After Stroke ▶	Recognising Stroke at the Front Door Joint Session with European Academy of Neurology (EAN) ▶	Intracerebral Haemorrhage 2 ▶	Advancing the Science of Recovery and Rehabilitation ▶	Small Vessels Disease (16:30 - 17:15) ▶	Young Stroke and Rare Causes (16:30 - 17:15) ▶
									Improving Stroke Outcomes (17:15 - 18:00) ▶	The Experimental Stroke and Genomics (17:15 - 18:00) ▶

* Industry Session not included in main event CME/CPD credit. Further information for the industry sponsored sessions is available here (<https://eso-wso-conference.org/industry-supported-sessions-3/>).

** Join us in the Networking Lounge for a chat with the session presenters. Choose the relevant chat group and ask your questions.

*** This symposium is organised by Radcliffe Cardiology supported by an unrestricted educational grant from AstraZeneca and it is accredited by the European Board for Accreditation in Cardiology (EBAC) for 1 hour of external CME credits

Monday 9 November 2020

06:25 - 08:00	Heart and Brain ▶	Thrombectomy 3: Technical Factors and Complications ▶	Small Vessel Disease: Haemorrhage and Genes ▶	Post Stroke Complications and Long-Term Prognosis ▶	Genomics and Biomarkers ▶			
08:00 - 09:30	Thrombectomy 1: Device Choice for Mechanical Thrombectomy Joint session with the Society of Vascular and Interventional Neurology (SVIN) ▶	Targeting Stroke Globally: The Next Steps Joint session with World Health Organization (WHO) ▶	Expanding Access to Acute Stroke Care in Low and Middle Income Countries ▶	COVID-19 and Stroke Services ▶	Navigating Career Transitions: From Graduate School to Independent Researcher Joint session ESO YSPR committee, WSO Early Stroke Professionals and Stroke Society of Australasia (SSA) ▶	Palliative Care, End of Life Care, Advanced Care Planning and Shared Decision Making in Patients with Stroke ▶	Rehab 2030 ▶	Stroke Units in the Regions and the World (08:00 - 08:45) ▶
								Global Challenges in Stroke Management (08:45 - 09:30) ▶
09:30 - 09:45	Visit the ESO and WSO booths in the Exhibition. Use the chat feature to speak with the exhibitors.			**Join us in the COVID-19 Chatroom (09:30 - 10:00) for discussion.				
09:45 - 11:30	Controversies 3: Prevention ((▶)) 🔍	Controlling Risk Factors After Stroke Joint Session with the World Hypertension League (WHL) ▶	Measuring the Effectiveness of Stroke Prevention Campaigns: Planning, Implementation and Evaluation Stroke Supporting Organizations (SSO) Session ▶	Vascular Cognitive Impairment Joint Session with the International Society of Vascular Behavioural and Cognitive Disorders (VAS-COG) ▶	Case-Based Neuroimaging ▶	Practical Considerations for Posterior Ischemic Stroke Management ▶	Supporting Life After Stroke ▶	Imaging (09:45 - 10:30) ▶
								Imaging and Systems (10:45 - 11:15) ▶
11:30 - 12:30	**Live Q&A in the Controversies Chatroom (11:30 - 12:00) Join us in the Networking Lounge to continue the debate about Prevention .			Take a break & visit the wellness area of the virtual conference.				
12:30 - 14:00			WSO General Assembly by invitation only ((▶))					
14:00-15:45	Large Clinical Trials & Closing Remarks ((▶)) 🔍							
15:45 - 16:20	**Live Q&A in the Plenary Chatroom (15:50 - 16:20) Join us in the Networking Lounge and ask your questions to the presenters.							
16:20 - 18:00	Controversies 3: Prevention Repeated Session ▶	Thrombectomy 2: Imaging Selection Joint session with European Society of Neuroradiology (ESNR) ((▶)) 🔍	Childhood Stroke ▶	COVID-19 Related Stroke ▶	Innovative Clinical Trial Design ▶	Omics and Genetics ▶	Primary Stroke Prevention and Dementia Prevention ▶	

** Join us in the Networking Lounge for a chat with the session presenters. Choose the relevant chat group and ask your questions.
